Re: Campground Rates

Electric \$3.00 per day for both yearly and daily rental

Daily Campsite \$5.00 per day lot owner
Rental \$10.00 per day guest

Yearly Campsite \$250.00
Rental

Holding Area \$5.00 per week, May 1st thru November 30th

The holding area is CLOSED December 1st thru April 30th. All trailers/campers MUST be removed from the holding area in Winter.

Guests may register for no more than one week at a time. If the campground is full at the end of one week, guest may not re-register.

A campsite is considered occupied if it is setup, regardless of whether the owners are physically occupying the campsite.

Campground rates are proposed rates to be used for a one year trial period. At the end of each year, the fees collected will be compared with the actual expenses only and may be adjusted accordingly.
